Read each policy carefully and attest to understanding these requirements by signature below. I hereby apply for the CMCA credential. I understand that earning this credential depends on the successful completion of specific requirements and that the following policies apply:

1. I have read and understand the information contained in the CMCA Handbook.
2. To the best of my knowledge, the information in this application is correct and complete.
3. I acknowledge that CAMICB reserves the right to verify information on this application.

6. I acknowledge that the information accrued in the credentialing process may be used for statistical or other purposes by CAMICB. My records will be treated confidentially, except as otherwise provided by law.
7. I recognize that the CMCA examination questions are the property of CAMICB and will not be available to me outside of a secure testing environment.
8. I will not release confidential examination materials or participate in fraudulent test-taking practices. CAMICB reserves the right to withhold or cancel my scores or revoke certification if there is any evidence of cheating, improper conduct or other irregularities.

SUBMISSION OF SUPPORTING DOCUMENTATION

If you have ever been convicted of a felony or misdemeanor or have experienced a sanction of a professional license, certification, registration, or permit (as referenced in item 13 of the Statements of Understanding), you are required to disclose this history to CAMICB at the time of application submission. Please submit your CMCA Application with an attached personal statement concerning the circumstances of the offense or disciplinary action and any additional supporting documentation such as court documents, if applicable.

A history of criminal conviction or sanction of a professional credential or license does not automatically disqualify a candidate from approval to take the CMCA exam. Applications are evaluated on a case-by-case basis to determine if the offense violates CAMICB's policies. Eligibility to test may be denied or withdrawn. An applicant who is denied the opportunity to test because of this review may request reconsideration of the decision.

Failure to disclose a history of conviction or sanction of a professional credential or license may be grounds for permanent revocation of the CMCA credential or authorization to test.

REQUESTING SPECIAL TESTING ACCOMMODATIONS

CAMICB abides by all applicable federal and state statutes relating to the accommodation of disabled individuals. If you have special needs that require an accommodation for the CMCA examination, please complete the CMCA Accommodations Request Form and submit it with the CMCA Application. You can download the CMCA Accommodations Request Form from camicb.org or contact info@camicb.org to request a copy.

Candidates who have requested special testing accommodations should not schedule an appointment to take the examination until receiving written confirmation of the accommodations.
